minimum/50 person maximum
enrollment for camp!*

BROADWAY STARS

GRADES 3 - 8

June 24 - 28

9:00 am - 4:00 pm

Eligible youth must be entering grades 3 - 8 in the Fall of 2024.

Campers will have an exciting experience exploring their theatrical side through movement, music, and drama games. Participants will learn how to audition and be cast in the musical, **BOTS** that will be featured in a public performance on the final day of camp! They will also learn first hand what it takes behind the scenes to put a show together!

Broadway Stars need to provide their own snack (more than one is ideal), lunch, and beverage each day of camp.

Camp Fee: \$200

Welcome to the BOTS Robotics Competition where teams and their (singing and dancing) robots are all vying for the top prize! Amidst the coding, building, and fierce competition, two members from rival teams befriend one another and throw everything off-balance. Will their collaborative spirit sabotage their teams' chances of winning? This STEM musical invites humans and robots alike to discover the power of technology and teamwork!

FINAL PERFORMANCE INFORMATION

Final performance will be on
Friday, June 28 @ 7:00 pm.

FREE!

Open to the public!
